

# PUBLIC LEDGER

WEEKLY REPUBLICAN—1907.  
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., FRIDAY, NOVEMBER 29, 1907

ONE COPY—ONE CENT.

The funeral of the venerable Mrs. Ann Cullen took place yesterday morning from St. Patrick's Church and was largely attended.

Dr. and Mrs. A. G. Browning have both been ill for the past few days at their home in Market street, but THE LEDGER is glad to report they are now improving.

Mr. Duke Rudy arrived home Wednesday from the Isthmus of Panama, where he has been for some time in the employ of the United States Government. Duke was a member of the Fire Department, and was right at home in the business, but did not like the condition of affairs; the make-up of the natives was too much of the mongrel order.

William Hightower, a cigarmaker, was found in a helpless condition this morning about 6:30 in the vacant lot of Louis Joergel in Wall street. The man had fallen over a high wall in the rear of the lot and sustained a badly injured leg—probably broken. He had been exposed to the weather since 8 o'clock last evening until this morning, and that he was not chilled to death is a wonder. The Cigar-Makers Union looked after his welfare this morning. He is in a critical condition.

#### ELKS NOTICE.

In accordance therewith all members of Maysville Lodge are requested and urged to meet at the Lodge Room on Sunday, December 1st, at 2 o'clock p. m., for the purpose of attending the service in a body.

#### SINGS IN PARIS

Miss Florence Pearce Wadsworth  
Now a Pupil of Jean de Reske  
—Praise From the Maestro

Maysvillians in general should be delighted to hear that Miss Florence Pearce Wadsworth, the talented daughter of Hon. and Mrs. W. H. Wadsworth of this city, is now a pupil of Jean de Reske, the master singer and musical star of both hemispheres.

On November 12th Miss Wadsworth gave a recital in de Reske's private Opera-house in Paris, attached to his musical studio, M. de Reske being one of the world's greatest teachers of the vocal art and voice culture.

The great artist was charmed with Maysville's sweet singer and declared her voice was exquisite, of wonderful depth and range, and de Reske assured her that a bright future in the musical world awaited her.

Miss Wadsworth is now under the master's training and expects to remain in Paris for a year or two.

The Republicans will now have an opportunity to try their hand at the settlement of the question of who is responsible for the foul murder of WM. GOEBEL.

They will also have an opportunity to deal with the HARGIS troubles in Breathitt and the Sunday closing question in the cities.—*Flemingsburg Times-Democrat.*

Is there anything else you can think of, Editor DULEY, that you expect the Republican party to do?

**Freedom and Fair Play and a Square Deal—"Vox Populi" Is Still "Vox Dei."**

You might have included in your list of things, the discovery of the North Pole, perpetual motion and who struck BILLY PATTERSON.

The question of who killed Mr. GOEBEL is not going to bother the Republican party in Kentucky a little bit. We have suffered enough from GOEBEL while he lived, and much more since he died; so why permit his ghost to walk forever in fair Kentucky?

If the Democratic party in Kentucky has spent eight years and \$100,000 in a lamentable failure to run down the man who shot Mr. GOEBEL, how do you expect the Republican party to do any better?

Why keep forever alive this unhappy business? It was all caused by the ambitious man who declared that he would be Governor of Kentucky in spite of hell and all things.

You saw his finish.

Now GOEBEL's legatee in the ambition business, J. C. W. BECKHAM, has about run his

course; and, while he does not come to a violent end like his predecessor, yet it required a veritable cataclysm of popular disapproval to hurl him from his Napoleonic seat of unscrupulous and despotic power.

Your party is now having one more whack at the disagreeable matter of trying CALEB POWERS, one of the alleged assassins of Mr. GOEBEL, via the same old method of a Democratic Special Judge.

What will the harvest be?

Another conviction, to be followed by another reversal by the Court of Appeals?

This endless chain and continuous performance of Special Judge vaudeville is growing monotonous in old Kentucky; besides, it's expensive.

It can serve no political end now, so why prolong the judicial farce?

CALEB POWERS is not a candidate for sympathy either; he merely demands JUSTICE, and as *vox populi* is still *vox dei*, and henceforth, woe be unto the unscrupulous tyrant who attempts to put his foot upon the neck of a free-born American citizen or rob him of his ballot or his birthright as did WILLIAM GOEBEL and his co-conspirator and legatee—JOHN CREPPS WICKLIFFE BECKHAM.

MANSFIELD'S MANNER.

Richard Mansfield's leading lady was late at rehearsal. He chided her for being late.

She began to cry.

Mansfield took his watch out of his pocket and said: "We will now wait ten minutes longer until Miss — gets through crying."

While rehearsing his Richard III. company at the Globe Theater in Boston some years ago, Richard Mansfield encountered difficulty with the intelligence of the actors he had engaged.

After some severe rehearsing he finally fell down on his knees and said:

"O, Lord, why was I endowed with all the brains?"

The Board of Education of the City Schools met in regular session Wednesday evening.

The Secretary's minutes and Superintendent's report were read and received.

The resolution offered by Mr. Smith at the preceding meeting was taken from the table and passed by unanimous vote.

The resolution reads as follows—

"Resolved, That the Board of Education grant annually two scholarships to the boy and girl receiving the highest averages in the regular county examination for Common School graduates held by the County Board of School Examiners.

"These scholarships shall be available for the entire High School course and shall be non-transferable.

"This resolution shall not apply to any resident pupil of the City of Maysville."

The action of President Yaceli in granting the use of the High School Building on Monday evening to Dr. Pickett and his associates on the Hospital Board was ratified.

Several suggestions were made and discussed by the Superintendent and Board relative to increasing the efficiency of the school system. The discussion revealed the unanimity between Superintendent and Board on all matters discussed.

After administering other matters of minor importance the Board adjourned.

### MAYSVILLE PEOPLE

#### With Chronic Coughs Need Vinol. It Stops the Cough and Cures the Cause.

This is the season for coughs and colds, and for the benefit of Maysville people our local druggist, John C. Pecor, tells them the best means for a cure.

He says: "Take Vinol, our real cod liver preparation without oil. It does not upset the stomach like cough syrups, and it is much more effective. Vinol is not a palliative but a curative."

This is because Vinol contains in a highly concentrated form all of the healing, strength creating and medicinal elements of cod liver oil actually taken from fresh cod livers, with all the mucus, nauseating oil eliminated and tonic iron added. It tastes fine, and cannot upset the weakest stomach, hence its wonderful power to cure.

We ask every person in Maysville who has a chronic cough or hard cold to try Vinol on our guarantee. JOHN C. PECOR, Druggist, Maysville, Ky.

### WORTH CONSIDERATION

When buying from a jewelry store wouldn't you consider it very important to feel there is absolutely no question about quality? When you buy here you don't pay any more, perhaps less, than in an indifferent store, but you are certain about quality. That point alone is more important in choosing Diamonds, Jewelry, Watches and Silverware than any other merchandise. . . . .

## HON. S. B. HERMAN IS WELL AGAIN

### Noted Oregon Statesman Restored to Health on Recent Eastern Trip.

Hon. Shiller B. Herman, distinguished statesman and legislator of Portland, Oregon, who was recently on an eastern trip, is among those strongly in favor of L. T. Cooper, in the discussion over Cooper and his medicines, which has raged for the past year in cities visited by the young man on his educational campaigns, as he calls them. Cooper was explaining his new theories and medicines to Boston people during the Oregonian's visit to that city, and in a recent interview Mr. Herman said: "My trip east accomplished more for me than I ever believed possible. It has actually been the means of restoring my health. While in Boston I heard a great deal about this man Cooper and his medicines, and one morning I talked with a Boston banker who told me that he had been relieved by Cooper's medicines after ten years' chronic dyspepsia. For the past twenty years I have been a fearful sufferer with nervous dyspepsia. It has been so bad that it all but forced me to resign from the legislature."

"I was feeling wretchedly that morning, and I made up my mind to try the medicine. I had seen leading physicians without number both East and West. They had been unable to help me in the least, and I no more believed this Cooper medicine could help me than it could bring a dead man back to life. I really don't know why I bought it. It was like a drowning man clutching at a straw. "To make a long story short, I have been astonishingly successful in my case. Today I am enjoying a sound stomach and perfect health for the first time in twenty years. I can eat heartily without the slightest inconvenience afterward. I have a fine appetite, and sleep well. I am no longer moody and depressed, and my nervousness has entirely disappeared. "Any man who has chronic dyspepsia owes it to his family to try this medicine. In all our experience as druggists, we have never seen anything to surpass the famous Cooper's preparations. T. J. Chenoweth."

### THE PRINCESS RINK

### Enormous Crowd Packed the Big Building Last Night to Attend the Masqued Carnival

The New Orleans Mardi Gras wasn't in it, according to space, with the time that was had last night at the Princess Rink at the "Masqued Carnival."

Such a crush of humanity was never seen in a Mayville building and the doors had to be closed early in the evening to shut out the people who continued to pour in, filling every available foot of space, even out in the skating arena, which was encroached upon for seating capacity, thus curtailing the floor space for the skaters. However, hating the crush, everybody was happy and the contests were pulled off with the most friendly feeling of rivalry and amid storms of applause.

To describe adequately the carnival would require several columns of THE LEDGER.

There were nearly a hundred en masque and the costumes were in all the styles of the season and all the colors of the rainbow and could not be depicted in this brief article.

The contest was for the best couple skating, music and couple both to count, each \$5 worth of tickets.

The prize was awarded to Miss Mande Berry, Japanese and Mr. Dugan Dunn, clown.

Miss Virgie Smith and Mr. Bert Pollitt, costumed as "Buster Brown" were class seconds for the prize and elicited much applause.

### NOTIFYING BUYERS

### "Peaceful" Army at Work in Fleming County This Week

A peace army of 200 tobacco growers visited Nepton Wednesday and notified O. Mauser, the American Tobacco Company's buyer for Fleming county, not to purchase any of the 1907 crop of tobacco in Fleming.

The army then went back to Elizaville and Flemingsburg and stated their wishes again to several independent buyers. Everything was done quietly and orderly, but under the surface there are murmurs of discontent and silent threats on the part of some.

This is the first demonstration of the kind to take place in Fleming county, and it is feared some lawless act will result. Of the 3,500 acres raised in Fleming this year, 2,400 are pooled in the Growers' Association.

The American agent in Fleming stated that he had already contracted for 300,000 pounds to be delivered at Nepton, and he was requested to cancel the engagements, which he said he could not do, but would have to be governed by orders from his company.

## LOST ALL HOPE OF CURING HUMORS

Member of U. S. Ordinance Corps Had Skin, Scalp, and Blood Trouble — For Four Months Tried Various Remedies with No Lasting Effect — Permanently Cured and Says:

### "CUTICURA REMEDIES ARE UNEXCELLED"

"About a year ago I was a sufferer from skin, scalp, and blood humors. For four months I used various remedies prescribed to me for their treatment, but they gave only temporary relief and then the distressing blood humors were back as usual. I finally lost all hopes of getting cured of this ailment. But a friend induced me to give the Cuticura Remedies a fair trial. He had been troubled with the same disease and said he had been permanently cured by Cuticura. So I got the whole treatment, consisting of Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent, and after I began the treatment I could see and feel that it was a success. The Cuticura Resolvent is certainly of great value as it cleanses the system of all humor germs and makes digestion easy. I used two complete sets of the Cuticura Remedies and I am cured. I can say this much, that I was permanently cured by them. I want to say further, that these Remedies are unexcelled in curing the worst forms of skin and scalp humors. S. D. Phillips, Ordinance Corps, U. S. A., Rock Island Arsenal, Rock Is., Ill., Nov. 22, 1906."

### SLEEP FOR BABIES And Rest for Tired, Fretted Mothers in Cuticura.

Guaranteed absolutely pure under U. S. Food and Drug Act, and may be used from the hour of birth.

Complete External and Internal Treatment for Every Humor of Infants, Children, and Adults, consists of Cuticura Soap (5c.) to cleanse the skin, Cuticura Ointment (5c.) to heal the skin, and Cuticura Resolvent (50c.) ### TESTED AND PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation

For months Mayville readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit. A. W. McClanahan of A. W. and B. P. McClanahan, grocers, at 121 Second street, Mayville, Ky., says:

"I can endorse Doan's Kidney Pills more heartily today than I did five years ago when I told the Mayville people that this medicine had cured me of severe kidney trouble and backache that had bothered me for twenty years and seemed to be growing worse all the time. I repeat that I can more confidently recommend Doan's Kidney Pills today than I did in that testimonial because my cure has been permanent and I have had no kidney trouble for nearly five years. As proof that I am a firm believer in Doan's Kidney Pills I will be only too pleased to reiterate the above to anyone who may inquire."

For sale by all dealers. Price 50 cents a box; Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
